We only publish according to the ACCME definition of a commercial interest: Please Note: This does not include textbooks, journals, practice management, non-profit organizations, or trademarked procedures. Hospitals and surgery centers of practicing clinicians are not regarded by ACCME as commercial. Any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on pts. Unless noted below, the faculty and planners have nothing to disclose. Spousal/partner relationships are included. If "No Position" is stated, a "one time" event hosted by the stated commercial entity was attended.

Unless listed above, the faculty and planners have nothing to disclose.
