- Figures for procedures include but are not limited to those performed by ASAPS members. ASAPS members are plastic surgeons certified by the American Board of Plastic Surgery who specialize in cosmetic surgery of the face and the entire body.
- Component figures may not add exactly to totals and percentages may not equal 100% due to rounding.

*Breast reduction may be covered by insurance, depending on terms of the policy and individual patient factors.
Hair transplantation was excluded from the results, due to an insufficient sample of physicians who perform the procedure.
